

Preparing for St. Andrew's July 12th Homecoming:

We're almost there! But much remains to be done, and we need many hands to help. We will have crews working in the church, undercroft, parish house, and on the grounds outside, in order to get everything ready for our return. Please sign up for as many shifts as you can manage and return this form via email or in person to Roger Kilgore at Kilgore.roger@mindspring.com, Shelley Brown at brownshe@comcast.net, or to the parish office at office@standrewdenver.org as soon as you can (if you're able to work the first weekend, please get this form in quickly).
