

Advent 3 A 2010

Matthew 11:2-11

What would John the Baptist say?

*I preached this sermon without a text, and due to technical difficulties at each service, a complete audio recording is not available. However, you can enter the conversation:*

Imagine that you go to visit your friend John the Baptist in prison. He asks you if you see any signs of hope in the world around you. Three stories from the past week run through your mind.

Which story, or what story of your own, would you tell John the Baptist?

And what would John the Baptist say?
