The Rector, Elizabeth, moved the following resolution: With the Bishop's permission, the Vestry of St. Andrew's Episcopal Church, Denver, Colorado, resolves to become a Parish in which the blessing of same-gender relationships may take place. In counseling couples and approving blessings, the Rector will abide by all applicable diocesan guidelines, in particular that one or both members of the couple be communicants in good standing of St. Andrew's and that the celebrant use the liturgy provided by the Diocese without deletions or additions.

The motion was seconded by Steve Grupe.

It was approved unanimously by the Vestry.
