

## **St. Andrew's Policy on Acceptance of Designated Donations**

St. Andrew's Episcopal Church welcomes donations made to designated funds which have been approved by the Vestry, and to parish ministries whose purpose and leadership are under the direction of clergy or Vestry of the parish. Following the recommendation of the Chancellor of the Episcopal Diocese of Colorado, St. Andrew's is not able to accept donations or act as fiscal agent on behalf of any other organization, nor for any purpose which might be outside the scope of a 501(c)(3) organization. To work toward establishment of a new ministry or designated fund, consult the following Procedures:
