

Godly Play's Play Dough Recipe:

Ingredients: 2 c. flour, 2 c. water, 1 cup salt, 2 heaping Tbs Cream of Tartar (found in the spice aisle), 1/4 cup cooking oil

Directions: Combine ingredients and stir over medium heat on stove. The going gets tough but keep stirring until a ball is formed. When the lump of play dough gets cool to touch, knead it well.

For Godly Play: **Please do not add food coloring to the play dough.** The play dough is all beige and the children can color it with paint and markers as part of their work after it dries.

Roll into tennis ball size balls. This recipe makes 7 balls. Store in sealed container; zip-locks work great!

Thanks!
